► IMPORTANT INFORMATION ◀

Read the following information carefully and check on any of the section that may apply to your case:

- If you do not have a copy of your lost passport**, go to your local **Ausländerbehörde** to be issued a copy from their file. It is pertinent that you provide a copy of your lost passport or previous passport held or a copy of your original birth certificate with the immigration stamp, in order for your application to be filed under your individual immigration file number. This immigration file number never changes but your passport number does with each replacement. Knowing your lost passport number is therefore not enough to place an application.
- If you have no ID**, write an official letter explaining why you have no ID. Your application will be forwarded to Nairobi for consideration. If you lost your ID but know the number, enter the ID number on the application form but still write the letter. Send the original letter and a photocopy. Kindly note, the Department of Immigration upon viewing your application might require that you apply for and be issued an ID before processing your passport. You will be notified if that is the case.
- If you replaced your birth certificate** and no longer have the original with the immigration stamp, send 2 copies of the birth certificate you have.
- If you are or were married** also check for additional relevant documents on the checklist for married women.

► PASSPORT PHOTOGRAPH REQUIREMENTS ◀

- 4 **identical recent biometric photographs** taken in a photo studio with all facial features clearly outlined, full face showing and **hair completely pulled back** and taken against a white background, without shadows.
- Make up if necessary, must be neutral. No contouring of nose, lips or eyebrows.**
- Your hair should not cover the forehead, the ears or the rest of the face. Earrings, if necessary, should be small in size.**
- Write your name on the back of one photo. Do not let the ink smudge the other photos.
- Clear, not blurred, nor have a dark hue. All facial features should be clearly outlined.
- Decent photos - ladies should not be wearing strappy or strapless tops.
- Without a smiling or laughing countenance and without spectacles.
- Men and male children should not wear any earrings.

I hereby confirm that I have complied with all of the above stated requirements and I'm fully aware that my application will be sent back to me for failure to comply with the requirements.
